

EXTENDING EV BATTERY LIFE

CANADA

Rainhouse can provide a second life for Electric Vehicle batteries through Battery Energy Storage Systems.

On June 8, 2023 Rainhouse Manufacturing Canada Ltd. was selected as a funding recipient from the B.C. Centre for Innovation and Clean Energy (CICE)'s 2023 Open Call for Innovation. We are proud to receive a \$750K grant from CICE, which will support our Battery Energy Storage System (BESS) project.

Repurposing electric vehicle (EV) batteries is catalyzing a profound transformation within the sustainable energy industry, ushering in a new era of innovation and environmental responsibility.

The Challenge

The Solution
