

“This project makes clean energy accessible by remote Canadian communities while keeping EV Battery Packs outside landfills.”

Ray Brougham

Celebrating Success and Looking Ahead

As we continue to make strides in the field of renewable energy, we are grateful for the support of our team, partners, and stakeholders. Your dedication and hard work have been integral to the success of the REV-BESS project, and we are excited to share our progress with you. Together, we are shaping a brighter and more sustainable future for generations to come.

Stay tuned for more updates on the REV-BESS project and other exciting developments at Rainhouse Energy. Join us as we continue our journey towards a cleaner, greener world.
