SUPPORTING VANCOUVER ISLAND'S MARINE INDUSTRY

At Rainhouse Manufacturing Canada Ltd., we're dedicated to driving innovation and supporting the marine industry on Vancouver Island. These businesses rely on high-quality machining and innovative solutions to stay competitive, and Rainhouse is proud to support them.

DRIVING SUCCESS THROUGH CONTRACT MANUFACTURING

Rainhouse is committed to strengthening Vancouver Island's marine industry by delivering comprehensive contract manufacturing solutions, including:

1. **Design and Development**

Bringing innovative marine products to life.

2. **CNC Machining**

Delivering precision and durability.

3. **Electronic Manufacturing Services**

Seamlessly integrating advanced electronics.

4. **Procurement**

Optimizing supply chains.

5. **Assembly and Testing**

Ensuring reliable, ready-to-use products.

Our end-to-end manufacturing approach allows our clients to focus on innovation and growth while we handle the production process—from idea to done.
