

Despite its smaller scale, this year's showcase highlighted the creativity, skill, and dedication of tomorrow's engineers and innovators.

We'll be returning on **April 2<sup>nd</sup>, 2026** with a full-scale event welcoming even more schools, student teams, and sponsors.

*Interested in sponsoring the 2026 Engineering Showcase or participating as a school or team? Let's connect!*

**"THIS PROJECT PUSHED US WELL BEYOND THE CLASSROOM, GIVING US HANDS-ON EXPERIENCE WITH FLUID MODELING, SENSORS, CONTROL SYSTEMS, AND MORE... IT WAS A TRUE TEST OF RESOURCEFULNESS, CREATIVITY, AND ENGINEERING VERSATILITY."**

— Kathan Sanghvi, recipient of the Award for Best Design,  
Sponsored by Starfish Medical
