

Rainhouse is proud to be **AS9100D** and **ISO 9001:2015** certified, allowing us to serve clients in the aerospace industry with the same level of quality and reliability we're known for across defence and other advanced manufacturing sectors.

We're proud to be advancing Canada's critical industries and invite you to connect with us to explore how Rainhouse can support your next project.

Our participation in CANSEC also reinforces our ongoing alignment with Canada's Industrial and Technological Benefits (ITB) Policy, including the Value Proposition. As a trusted domestic partner, Rainhouse supports ITB goals by providing high-quality, made-in-Canada solutions across all stages of production.

Our full range of services includes:

- 🔧 Design
- ⚙️ CNC Machining
- 🔌 Electronic Manufacturing Services
- 📦 Procurement
- 🛠️ Contract Manufacturing
- 🔍 Testing and Inspection
