

RAINHOUSE
MANUFACTURING CANADA LTD.

Procurement Case Study

Rainhouse Simplifies Procurement for Global Defence, Aerospace, and Shipbuilding Primes.

Rainhouse procurement services gives you access to a single 100% Canadian vendor that manages all purchasing from a trusted global network—helping you meet ITB and Canadian content requirements. We source, certify, mark, and deliver ready-to-use materials while ensuring traceability and compliance at every step. By consolidating procurement through one reliable partner, we eliminate complexity, reduce risk, and streamline your supply chain—so you can focus on what you do best.

WHY CHOOSE RAINHOUSE

- 100% Canadian SME supporting ITB and Value Proposition scoring
- Proven track record on high-complexity naval and aerospace programs
- Trusted procurement partner to major primes
- One-stop sourcing from a global network with defence-compliant documentation

HOW IT WORKS

We manage end-to-end sourcing with strict quality control, traceability, and defence-compliant documentation.

WHAT WE PROCURE

We specialize in sourcing high-spec and hard-to-find components for mission-critical systems, including:

- Metals & Alloys
- Special Coatings & Chemicals
- Electrical Components
- Custom & Legacy Parts

WHO WE ARE

Rainhouse Manufacturing Canada Ltd. is a precision manufacturing firm with over 20 years of experience in defence and marine sectors. As a qualified SME supplier, we've delivered consistent results on programs like the Victoria-class In-Service Support Contract (VISSC).

STRATEGIC VALUE FOR TIER 1S

Rainhouse reduces procurement risk for Tier 1 contractors by offering compliant, high-precision sourcing services tailored for the Canadian defence landscape. Our team understands the regulatory and logistical challenges of global supply chains and delivers with reliability.

RAINHOUSE CERTIFICATIONS

Rainhouse is committed to the highest standards of quality and compliance. We proudly maintain:

- AS9100D and ISO 9001:2015
- Canadian Controlled Goods
- Reliability Clearance
- Recognition as an Approved First-Level Manufacturer under DEF Stan 02-862: Naval Fasteners
- Class MA Boiler and Pressure Vessel Licence (Licence No.: LPB0201365)
- IPC-A-610 and IPC/WHMA-A-620 Accreditation

WHAT PRIMES ARE SAYING

“Rainhouse has been our trusted procurement partner on VISSC since 2011, they make sourcing thousands of items from hundreds of vetted suppliers an easy one stop shop!”
