WHY IT MATTERS

The FUN Committee's mission is to promote camaraderie, reduce stress, and celebrate the people behind Rainhouse's success. From bowling to BBQ and lawn games, these events give everyone a chance to relax, recharge, and connect. When our team feels supported and valued, they're empowered to do their best work.

WHAT'S NEXT?

The committee is just getting started. If you have an idea for a future activity, we'd love to hear it. With creative ideas already in motion and strong support across the company, we're looking forward to many memorable moments ahead, including seasonal parties, team-building games, and more.
