

# QUALITY MANUFACTURING

# SEAMLESS SOLUTIONS

Rainhouse supports original equipment manufacturers through end-to-end manufacturing programs focused on precision, repeatability, and long-term production readiness.

Rainhouse operates to rigorous quality standards across OEM manufacturing programs. We are **Canadian Controlled Goods registered** and certified to **AS9100D** and **ISO 9001:2015**, with a **Class MA Boiler and Pressure Vessel Licence (License No. LPB0201365)**. We are an **Approved First-Level Manufacturer under DEF Stan 02-862** for Naval Fasteners, with electronic technicians accredited to **IPC-A-610** and **IPC/WHMA-A-620** standards.

## OEM Manufacturing

Our core capabilities include CNC machining and electronic manufacturing, supported by a trusted supplier network and disciplined execution across OEM programs. We support repeatable, long-term production with precision and reliability from idea to done.

We work closely with OEM customers to support assemblies and systems through disciplined execution, integrated supply chains, and consistent delivery over the life of a program.

**Rainhouse delivers turnkey OEM manufacturing programs.**  
**We provide assemblies and systems tailored to program requirements and timelines.**

## WHAT SETS US APART

Rainhouse delivers OEM manufacturing programs through disciplined execution, program management, and consistent delivery.

**Program Management**

**Commitment to Quality**

**On-Time Delivery**

## PROVEN SUCCESS

Rainhouse partners with clients in aerospace, defence, marine, and advanced manufacturing, delivering precision solutions tailored to diverse production needs. From sourcing materials to final assembly, we manage every step of the process with a focus on quality, efficiency, and seamless communication. Our dedication to excellence enables businesses to innovate confidently, achieve their goals, and exceed expectations.

*"Many thanks to you folks for being so helpful in getting to this point. You guys walk on water from our perspective and are a pleasure to work with."*
